Subject: Approval of the Operational Environmental and Social Management plan on Fenet Food Complex Project

Dear Mr.

We have reviewed your Operational Environmental and Social Management plan Report Fenet Food Complex Project which is located in Adama City Aba Gada Sub City Dagaga District/Ana that is submitted to our Authority on 23/01/2018

The report document was thoroughly reviewed. The report incorporated major environmental impacts and proposed mitigation measures for in acts that might occur due to the project implementation.

Accordingly, the Adama Environmental Protection Authority (AEPA) agreed to the implementation of the Fenet Food Complex Project with condition that the project will commit itself to:

Proper implementation of the Environmental Management Plan (EMP) stated in the study report and related environmental issues,

Notify Adama Environmental Protection Authority (AEPA) and other stakeholders about the occurrences of unforeseen events, outstanding issues that might arise during the project implementation, and take appropriate measures accordingly,

Make the necessary arrangement for Adama Environmental Protection Authority (AEPA) and other stakeholders for joint field monitoring on the environmental performance of the project, and.

This approval (environmental Clearance) Serves Up for three years and the proponent of the project shall renew each year.

Undertake environmental audit and report audit results to Adama Environmental Protection Authority (AEPA) bi-annually.

C.C

Oromia Environmental Protection Authority
